## HOBBIES

Playing Drums and Guitar,  
Sports and Physical  
Activities, Continuous  
learning.

## PROFILE

I'm a software developer specialized in front-end and back-end, I enjoy spending my free time learning about development, always looking to use every day the latest technologies.

## WHAT I DO?

I have more than 4 years of experience building scalable web apps using the best technologies and frameworks such as **ReactJs** with hooks, **VueJs**, **NodeJs**, **NextJs** and **Typescript**.

## EMPLOYMENT HISTORY

### Web Developer, Web Studios West

May 2020 — Present

Development of full-stack Magento-based eCommerce applications using features such as PWA, Headless storefront, Service Workers, offline functionality, and fast performance. Also, building custom mobile applications using React Native and server services using NodeJs.

### Web Developer, Oxoft.io

Jan 2018 — Nov 2019

Development of full stack applications, API REST, mobile apps and web applications with technologies such as Laravel, Node.js, React.Js, Redux, and ReactNative.
